

WILL POWER

Results from the **Make a Will Month** survey

GOT WILL?

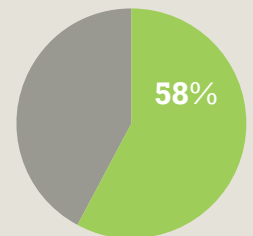

The older you are, the more likely you are to have a will. However, we were surprised to see how many millennials have a will and how many baby boomers do not.

Millenials

AGE 18-34

Baby Boomers

AGE 55-64

WHY MAKE A WILL?

So assets are passed on to the right people **69%**

To take care of my family **54%**

To prevent family disputes **44%**

2-10%

That's how much of their inheritance you'r family will pay in Probate fees if you die without a Will. *

WHY HAVEN'T YOU?

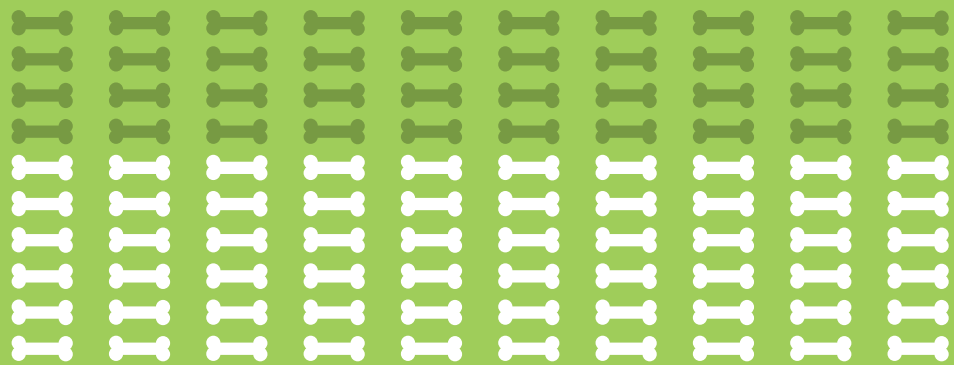

WHERE IS IT?

Most still use **old school** storage...

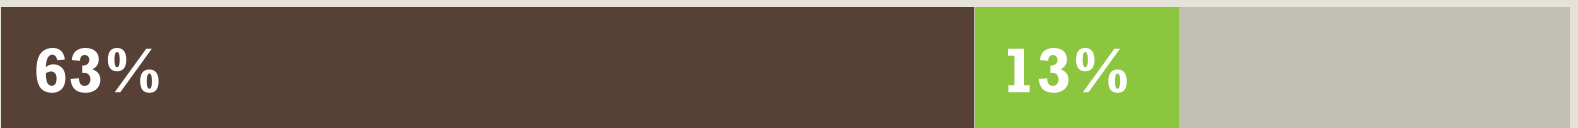

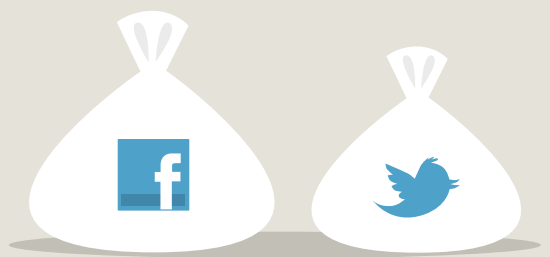

...only **3%** keep their will in the cloud

61%

Say it's **not** important to provide for their pet in their Will. Guardianship of their pets would be undetermined at their time of death.

WHAT HAPPENS TO DIGITAL ASSETS?

"I don't know."

Correct answer: "They live on until legal action is taken."

In 2011, the average value of a person's digital assets was **\$55,000.****
